

INVITATION LETTER

Workshop on

“Bamboo and Sustainability 2019: Bamboo and Solar power for Sustainable tourism”

To:
.....
.....

From the 10th to the 18th of September 2019, the Faculty of Architecture and Planning of the National University of Civil Engineering (NUCE) in close collaboration with KU Leuven (Belgium), FIIW GM-project, Belgian province of East-Flanders, Belgian Embassy in Hanoi and Lam Son Sugar Cane Joint Stock Corporation (LASUCO) organises the first international conference and workshop “Bamboo and Sustainability 2019” on the theme “Bamboo and Solar power for Sustainable tourism”.

The aims are to raise awareness among students and professionals of architecture, civil and environmental engineering, and to spread knowledge, expertise and experiences in bamboo construction and installation of solar panels for green buildings, promoting green construction and sustainable tourism.

We are pleased to invite you to participate in the opening day of the event:

Date and Time : Wednesday 11th September 2019, 08h00 – 17h00
Venue : Meeting Hall (1st floor), G3 Building – National University of Civil Engineering, 55 Giai Phong road, Hai Ba Trung district, Hanoi

You can find the agenda of the workshop herewith enclosed.

Please kindly confirm your attendance by contacting Ms. Hoang Thi Le (mobile phone 0982.484.579 or email address bambooandsustainability@gmail.com) before Monday, 9th September 2019.

Yours sincerely,

Hanoi, 30th August 2019
On behalf of Faculty of Architecture and Planning
Dean

Assoc. Prof. Dr. Pham Hung Cuong
