TWG 4 EA 	30 March 2021	<ul style="list-style-type: none"> Update on Rural Electrification in the context of PDP VIII and Plan for 2021-2025 period Focus topic: Bioenergy for rural area Priority topics for the TWG on Energy Access in 2021
TWG 5 D&S 	06 May 2021	<ul style="list-style-type: none"> Update on the implementation of Viet Nam Energy Information System (VEIS) Briefing of the final draft of Power Development Plan VIII (PDP 8) Planning and priority topics for the Technical Working Group on Energy Data and Statistics in 2021

Transition and Next Phase

- 1) **VEPG will continue into the next phase.** The EU has made an offer to fund the VEPG beyond 2021.
- 2) Stakeholders are concerned that the VEPG will be dormant between phases. **Germany** has made an offer to bridge the funding gap for the VEPG Secretariat between **November 2021 through June 2022**
- 3) The Secretariat is tasked to support the VEPG, working with the Steering Committee and other key stakeholders, in **revising/drafting Terms of Reference** for adoption at the next High-Level Meeting.

11

11
