

Number: 169/GM-DL

Hanoi, 6th October 2025

INVITATION

To:

Within the framework of the Energy Partnership Program between Viet Nam and Denmark for the period 2020 - 2025 (DEPP3), the Electricity Authority of Vietnam, Ministry of Industry and Trade in coordination with the Danish Energy Agency shall organize *a Consultation Meeting on the draft Technology Catalogue for Energy Transport 2025*, specifically:

Time : 8:30 – 11:30, Thursday, October 30, 2025

Location : Thang Long Opera Hotel, No. 1C Tong Dan Street, Hoan Kiem Ward, Hanoi

Content :

- Present and discuss the draft Energy Transport Technology Catalogue. This Technology Catalogue is expected to support the work on developing strategies and plans for Vietnam's electricity and energy sector, and is also a valuable reference document for calculating investment costs of projects in the electricity and energy sector and other related activities.

- Consult with experts, scientists and stakeholders on the content of the Technology Catalogue and relevant data sources.

(Detailed program is attached).

The Electricity Authority respectfully invites your Agency/Organization to send appropriate representatives to attend the Meeting. Please confirm your attendance by QR code in the attached Appendix before **October 28, 2025**. For more information, please contact: Ms. Nguyen Thi Hai Ngoc, Phone: 0933.111.185, Email: nthngoc.depp@gmail.com.

We sincerely thank the cooperation of your agency/organization./.

DIRECTOR

Recipient:

- As above;
- DDG Tang The Hung;
- For filing: VT, KH&QH(HL).

(signed and sealed)

Pham Nguyen Hung
